GOVERNMENT GIVES OUT FIGURES LARGE CITIES OF NATION

HEAVY INCREASES NOTED IN MANY CITIES OVER 30,000 **POPULATION**

Associated Press Washington, May 24.—Estimates of the population of 229 cities having 30,000 or more inhabitants were announced today by the Department of Commerce. Ten Texas ities reported and all show large ncreases since 1920. Houston and Wichita Falls increased so rapidly he department believed it unsafe estimate present population.

The estimates, prepared by the census bureau and carrying the fugures up to July 1, this year, are based in most cases on the as-sumption that the annual increase since 1920 has been the same as the average between 1910 and 1920. For cities in states which took a are based on the 1920 to 1925 annual increase. Estimates were not given for twelve cities where the last census showed a decrease in population, nor for ten cities where exceptional conditions of growthwhich would cause estimates to be far from correct are believed to prevail.
